

Strong Man

Abbey Lincoln

I'm in love with a strong man
And he tells me he's wild about me
I'm in love with a guy who is everything grand
Any man can be I'm in love with a strong man
What a hard-working hero is he
Great big arms muscled hard, dark and shining he folds around me
Hair crisp and curly
And crap kind of clothes
Picture a lover like this
Lips warm and full that I love the most
Smiling between every kiss I'm in love with a strong man
Once you see him you'll have to agree
That any other would just be the wrong man
And it is easy to see Why I love life
When I'm loving my strong man
And letting my strong man love me
Hair crisp and curly
And crap kind of clothes
Picture a lover like this
Lips warm and full that I love the most
Smiling between every kiss I'm in love with a strong man
Once you see him you have to agree
That any other would just be the wrong man
And it is easy to see Why I love life
When I'm loving my strong man
And letting my strong man love me
