

God Will

Tim Rogers & The Fellas

Clap your hands, if you know He will
Pat your feet, if you know He will, Oh Yea, Ooh Yea

God Will (God Will)
I know He will (Heâ€™ll make a way)
Anybody here tried Him (God Will)
Said I know He will (Heâ€™ll make a way)

God Will (God Will)
I know He will (Heâ€™ll make a way)
Anybody here tried Him (God Will)
Said I know He will (Heâ€™ll make a way)

(Woo) It ainâ€™t no secret (Woo) What God can do
(Woo) What Heâ€™s done for us (Woo) Heâ€™ll do the same thang for you
Listen, put your trust in Jesus, watch the Lord see you through

God Will (God Will)
I know He will (Heâ€™ll make a way)
Anybody here tried Him (God Will)
I know He will (Heâ€™ll make a way)

Call on Jesus (God Will)
Said I know He will (Heâ€™ll make a way)
Anybody here tried Him (God Will)
I know He will (Heâ€™ll make a way)

(Woo) It ainâ€™t no secret (Woo) What God can do
(Woo) What Heâ€™s done for us (Woo) Heâ€™ll do the same thang for you
Listen, this is what you got to do, put your trust in Jesus, watch the Lord see you through

God Will (God Will)
Said I know He will (Heâ€™ll make a way)

God Will (God Will)
Said I know He will (Heâ€™ll make a way)

Anybody here tried Him (God Will)
Said I know He will (Heâ€™ll make a way)

Somebody been sick (God Will)
Seem like you couldnâ€™t get well (Heâ€™ll make a way)
Didnâ€™t He heal your body (God Will)
Right now you can tell (Heâ€™ll make a way)
Anybody been down (God Will)
You couldnâ€™t see your way (Heâ€™ll make a way)â€¢â€¢â€¢â€¢â€¢â€¢â€¢.
