

# She Can't Love You

## Destiny's Child

I saw your new girlfriend the other day  
And I expected for her to be so much more than she was  
I checked out her style, the way she smiled  
The way she moved, the things she said  
The way she looked at me like, "I got yo man" She can't love you like I can  
All of her love just can't compare to what I have  
She can't touch you like I do  
'Cause when y'all touchin', you pretend it's me and you And there's no way, her love's as good as mine  
Oh baby baby baby yeah  
There's no reason for you to waste your time  
No no no no no no When we were together  
You told me what you didn't like  
And you went out and got exactly that type  
You said that your new girl is nothing compared to me  
Everything that she does wrong, I always do right She can't hold you like I can  
Boy, you a fool if you can't realize what you had  
She can't feel you like I can  
'Cause I'm a girl that's always standin' by my man And there's no way, her love's as good as mine  
There's no, no no way  
There's no reason for you to waste your time  
No no no, no reason  
And there's no way her love's as good as mine  
Mine, mine, mi mi mi mine  
There's no reason for you to waste your time There's no way, there's no way  
That her love could be, could be as good as mine  
Oh yeah yeah yeah  
There's no reason, no reason  
For you to even go and waste your time  
Your time And there's no way, her love's as good as mine (mine)  
There's no reason for you to waste your time (time)  
And there's no way her love's as good as mine (her love can be as good as)  
As good as mine, as mine, oh  
There's no reason for you to waste your time (time) And there's no way (there's no way, there's no way)  
Her love's as good as mine (that her love can be can be as good as mine, oh yeah)  
There's no reason for you to waste your time If thou can wait, then thou shall stay
