Unbreakable

Knuckledust

Struggle on day by day to live my life in peace
Convicted to do what's right and turn the other cheek
Judged for living my own way and this will never cease
Your ignorance will not prevail
Cast down your future's bleakUnbreakable
I cannot be deterred
Unbreakable
No matter what you do
Unbreakable
Your torment will not be heard
Unbreakable
I will forever say
Fuck youBrandishing your hate like a sabre
Trying to intimidate
Try to force a reaction but I will refuse
Your whole existence
Setting out to destroy what we create
But we'll hold on, I won't crack, I won't loseI will forever say fuck you
Can't split this spirit from my soul
I will forever say fuck you
Pain's all that you're owed
