Crazy

Birgit

Lyrics: birgit schuurmanAt school I never fitted in
Just did not care when others did
Did not want to belong
Without it I felt strong
I did not need confirmationThey said she's strangeBut I'm just crazy
It's the best word that I know
Couldn't please me more than telling me
I'm crazy and I just scream it loud and loud
I'm crazy, crazy, crazy, oh yeahEverytime when I meet faces unknown
I just wanna know all about them
Ask them about their lives
Their fears ,their fantasies and lies
A chat with me feels like interrogationThey say she's strange, she's different
She's nice in her own peculiar wayBut I'm just crazy
It's the best word that I know
Couldn't please me more than telling me
I'm crazy and I just scream it loud and loud
I'm crazy, crazy, crazy, oh yeah
