

On the Rebound

Porter Wagoner & Pam Gadd

ON THE REBOUND

WITH PAMELA ROSE GADD

(Charlie Craig - Larry Atwood)

I was going your way and it was plain to see you were going mine
We were both searching for a way to leave some old memories behind

Somebody broke my heart and I could tell somebody let you down

We were two lonely people two lonely people on the rebound

You cried on my shoulder for a while then we turned it around

I told you about her I told you about him then we found then we found

Just like the sun left yesterday and finally went down

The old love is gone and a new love was born on the rebound

We were brought together each looking for an understanding smile

Someone to just talk to and sit and reminisce for a while

We picked up the places like scattered yesterdays on the ground

Yes we found each other two lonely people on the rebound

You cried on my shoulder...

The old love is gone and a new love was born on the rebound
