

# Black Ice Cream

[Raheem DeV Vaughn](#)

Out of 31 flavors baby you make 32  
Let me scoop that on my cone, let me show you what it do  
    Open wide up, open sesame  
    Open wide up, open sesame  
All the 32 flavors You be the scoop I be the cone  
    You be the Queen I be the throne  
    You be the ride I be the saddle babe  
You be the spoon I be the stir you crazy  
    Be the power of the P for the pleasure  
    I be your d and do whatever  
    You be the job, I be that work  
I be that pipe that make it burst When I'm in, you scream  
    You melt yeah, you be  
    Like black ice cream  
    Like black ice cream  
    From your lips, to your ears  
    Don't stop no, just give it here  
    You're like black ice cream  
Like black ice cream (Like black ice cream)(All the 32 flavors)  
    Put it on the bed and pinky swear  
    I be the hands to pull your hair  
    I be the motion in your ocean baby  
The helium will send you floating lady  
'Cause you're my hare and bone in one  
    My wide receiver when I call  
    I keep my grip, don't let you fall  
Make you climb, whoa When I'm in, you scream  
    You melt yeah, you be  
    Like black ice cream  
    Like black ice cream  
    You feel like, from your lips, to your ears  
    Don't stop no, just give it here  
    You're like black ice cream  
Like black ice cream See the thing right here  
    Sweet liquorice right upon my lips  
Baby when I'm kissing you it's like the sweetest gift  
Set it all upon my face and scoop you with that lift  
    You've got that pretty brown round brown  
    Make me wanna go around

So stay right here  
Love it when you cream  
Love the way your scream  
Get all up in my ear baby and tell me I'm your king  
We play that Jodeci, that Sade, that Marvin  
Eye on your ice cream like Baskin and Robbins  
Like oh oh oh oh oh oh  
Do you feel me throbbing yet  
I love it when you're soaking wet  
My, my black ice cream When I'm in, you scream  
You melt yeah, you be  
Like black ice cream  
Like black ice cream  
From your lips, to your ears  
Don't stop no, just give it here  
You're like black ice cream  
Like black ice cream Out of 31 flavors baby you make 32  
Let me scoop that on my cone, let me show you what it do  
Open wide up, open sesame  
Open wide up, open sesame Out of 31 flavors baby you make 32  
Let me scoop that on my cone, let me show you what it do  
Open wide up, open sesame  
Open wide up, open sesame Out of 31 flavors baby you make 32  
Let me scoop that on my cone, let me show you what it do  
Open wide up, open sesame  
Open wide up, open sesame Not like mango, not like peach  
Not like strawberries  
(Black ice cream, like black ice cream)  
Black ice cream  
(When I can't find the words to say)  
Sometimes I can't find the words to say  
When I'm inside of you and you f\*\*\* me back  
And I'm in your ear  
(When I can't find the words to say)  
It just comes out like, like  
(When I can't find the words to say, I say, I say)  
(When I can't find the words to say, I say, I say)  
With conviction I say  
(When I can't find the words to say)  
You know what else? Listen  
And I can go on and on and on, and all I know is what love is Your love is so good baby  
Hot on the outside with love on the inside  
(All I know, all I know is your kiss is)  
So good, makes me soak  
(Coming down baby, dripping)

Wet on the outside with love on the inside  
And all I know is your love, is so deep  
Hot on the outside with love on the inside
