Aisles

Buchanan

So, you said you saw me on my feet now,
Saw me on my feet
And love,
Your heart is beating close to me,
Is that a whisper, I can't breath?
And I fly
Up across the sky
Moonlight shining in my eyes
We will run away
My heart's so heavy, hit the floor
So send me a message,
Let me walk

Your light, tonight
Say it's gonna be alright
I'll see you you real,
When I won't have to choose

I won't settle for a house in the hills
A petty little player won't sit very still
I take it all back and I'm not gonna bend
Cos I'm on my own, I'm on my own again

Singers singing nothing new
And I'm alone here,
And I'm missing you
Singing woah-oh

So, you said you saw me on my feet now,
My feet now
And love,
Your light, your light
Tonight, tonight

I won't settle for a house in the hills
A petty little player won't sit very still
I take it all back and I'm not gonna bend
Cos I'm on my own, I'm on my own again

I went searching for the master plan

And we hunted up and down the aisles
Looking for each other, trying to find a way to get over this
I'm trying to, find a way to get over it
