Shut 'Em Down

LL Cool J

I can shut a nigga down so quick my sounds so sick
My talents spread around while I'm holdin' my dick
My dingling shit flip emaculate
Evolutionary flows, y'all want more doughMake wit the best, get the best, all the rest hit 'em less
Rip a nigga from the East to the West
Just a lyrical maze, lyrical days
God works in mysterious waysI'm the warlord of war, relieve the raw dog
Niggas ain't even comin' close to my low score
Niggas fleein' when I'm rippin' on the hard core beat
That's slammin' through your jeep like a 44 Mack to your backNigga L never got rip by a track
I don't fuck around, always come back
For the lyrical miracle day one platinum plaque right off the back
Looked at every nigga wit the mic on my armA time-bomb blowin' up ring the alarm
Cool double O flow well to the LL
I'm leave the world looking hard as hellI shut 'em down
(Get off me, you can't hold me)
I shut 'em down
(Get off me, you can't hold me)I shut 'em down
(Get off me, you can't hold me)
I shut 'em down
(Get off me, you can't hold me)To the next plateau niggas bet my flow
Betta bet I role wit more control
Gotta bring the heat that eliminate who can't compete
Spit razors to rip the beatRelentless, endless, friendless when it comes to the lyrical mack
Now, off my back, stack 'em, drag 'em, now, feds waggin'
Hear you fassen, place on the blood of my veins without passion
Mashin', take a little time to think the rhyme outHow to find out, bump and grind out, pump the lines out
I'ma show what the microphone is all about without doubt
C to the double O, bounce in the bubble eye Limo
No, I ain't checkin' for you bull shit demo
Every time you hear me in a battle I'm lethal
Nigga too sweet n' low you ain't equalI shut 'em down, I shut 'em down
I shut 'em down, I shut 'em down
I shut 'em down, I shut 'em down
I shut 'em down, I shut 'em downI shut 'em down
(Get off me, you can't hold me)
I shut 'em down
(Get off me, you can't hold me)I shut 'em down
(Get off me, you can't hold me)

I shut 'em down
(Get off me, you can't hold me)I shut 'em down
(Get off me, you can't hold me)
I shut 'em down
(Get off me, you can't hold me)I shut 'em down
(Get off me, you can't hold me)
I shut 'em down
(Get off me, you can't hold me)I can take you to the level if I let my phantom
Nigga 'bout to rule the world wit one anthem
Kidnapped rap for a handsome ransom
Smoke a little Branson on the side of the mansionKeep it thugged out even when a nigga dancing
Branson make that trans and keep it dancing
I'ma murder every nigga in the game
Can't stand the rain, fuck a maintainGotta leave the world in flames
Nigga wanna live life stay out of my lanes
Tryin' to read my name
Here's a murderous combo wit you on your painSideways stimulator bringin' the flames
Niggas wanna feel me, spit the whole clips
Sing along it will split your lip
45 wit an name on the grip
Niggas said, "You wanna battle?" Nigga now talk shitI shut 'em down
(Get off me, you can't hold me)
I shut 'em down
(Get off me, you can't hold me)I shut 'em down
(Get off me, you can't hold me)
I shut 'em down
(Get off me, you can't hold me)
