

The End of Eternity

Times of Grace

We are lost, consumed by selfish desire
Abandon the gift bestowed us
The gift aloneBut there is beauty
There is life
Hold fast for this could be
The end of eternityWe are blind
(We are blind)
Our future's crushed and forgotten
Destroyed by greed
(Destroyed by greed)But there is beauty
(There is beauty)
There is love
(There is love)
Hold fast for this could be
The end of eternityI will swallow your soul
Break you into submission
I will be waiting in the shadows
Until your last breathDon't forsake all of us
Don't turn away from us
Your will is stronger than... Than thisSomething strange grabs hold of your breathless soul
Under shadows I drift into your weakened breath
Like grains of sand, hope slowly slips from your weary grasp
And in my sweet seduction I break your will
There isBut there is beauty
(There is beauty)
There is love
(There is love)
Hold fast for this could be
The end of eternityI will swallow your soul
Break you into submission
I will be waiting, I will be waiting
I will be waiting...
