Juxtapozed With U

Super Furry Animals

It's easy when you know how
To get along without Biff! Bang! Pow!
And if I see that you're fed up
I'll stop and give you a leg upOver-priced unreal estate, surreal estate
The highest price they've hit to date
Creating new divides and tension
You've got to tolerateAll those people that you hate
I'm not in love with you
But I won't hold that against youYou've got to tolerate
Some of those people that you hate
I'm not in love with you
But I won't hold that against youThis is a tale of two situations
Mutual appreciation
Away from narrow preconception
Avoiding conflict hypertension
Non-phobic word aerobic
This was my domain
'Til someone stole my nameYou've got to tolerate
All those people that you hate
I'm not in love with you
But I won't hold that against youYou've got to tolerate
Some of those people that you hate
I'm not in love with you
But I won't hold that against youLet's get juxtaposed, juxtaposed
Just suppose I juxtapose with you
(I wanna get juxtaposed with you) (X4)You've got to tolerate
All those people that you hate
I'm not in love with you
But I won't hold that against youYou've got to tolerate
Some of those people that you hate
I'm not in love with you
But I won't hold that against youLet's get juxtaposed
