

# Down In the Dumps

## Propain

Angry on the outside angry on the in  
Disgruntled with the thing I see  
Looking for a future that lies in your hands  
Is such a bad place to be  
Educated hippies and psychedelic yups  
Really gets my Irish up  
I am just a beggar, begging for some money  
Spare some change to fill my cup It's not so bad, I'm happy like a pig in shit  
Unlike some puppet of a suit and tie chump  
When anybody wants something from me  
That's where I'll be face down in the dumps Mercilessly seeking pleasure in my pain  
The wages set do not increase  
Can't afford the rent, I'm tossed out in the rain  
I lost my life and lost my lease  
Hard times are coming up around the bend  
It's been that kind of year  
My battle with the bottle, is back with a bang  
I need a drink, so where is my beer It's not so bad, I'm happy like a pig in shit  
Unlike some puppet of a suit and tie chump  
When anybody wants something from me  
That's where I'll be face down
