

# Driving In the U.S of A.

## Guided By Voices

Motor spinning(?) of course we get carried away  
We're trying different things  
Variety in society  
Driving in the US of A  
I love it(?)  
In a courtesy car  
Each boy and girl  
And American star gets carried away  
See what happens  
When you get into it  
Some people gotta hear these things  
A fast car makes you want to get out and do things  
In the US of A  
Driving in the US of A  
??????  
???? my invention  
Driving in the US of A
