

# Bedtime Story

[Tammy Wynette](#)

I've told you almost every bedtime story  
And you've heard almost every nursery rhyme  
So tonight before you'll go to sleep  
And pray the Lord your soul to keep  
Here's Mommy's favorite story one more time  
Once upon a time there was a castle  
And in this castle lived a king and queen  
And it came to pass they both were blessed  
By one little blue eyed princess  
With the softest golden curls you've ever seen  
But then one day he met this pretty lady  
And she had lots of pretty words to say  
And this part makes your Mommy sad  
'Cause, oh, what big eyes she had  
And she took his hand and led him far away  
Still it's just another bedtime story  
But telling it brings teardrops to my eyes  
Just another pretty bedtime story  
So please forgive Mommy if she cries  
Then it came to pass the king grew lonely  
And the pretty lady wasn't all she seemed  
He realized that he was wrong  
And started his long journey home  
For he missed his little princess and his queen  
Then he was back and safe inside his castle  
And tears of joy came pouring down like rain  
Then the castle rang with laughter  
They lived happy ever after  
Knowing he would never leave again  
Still it's just another bedtime story  
But telling it brings teardrops to my eyes  
Just another pretty bedtime story  
So please forgive Mommy if she cries  
Won't you please forgive your Mommy if she cries
