

# knew You When

## papercranes

Knew you when,  
I miss your voice,  
And your sapphire stare,  
I can't sleep,  
I can't sleep,  
Is this for real?  
Imagine,  
Surreal,  
You got me to smile,  
I cried,  
When your shell gave,  
I can't sleep,  
I can't sleep,  
Is it for real?  
I've imagined it,  
Seems so real,  
I'm holding on,  
And you're holdin' on,  
You're holdin' on,  
Too,  
You're holdin' on  
You're holdin' on'  
Too tight
