Creepin' in

Horace Silver

There's a big old hole
Goes right through the sole
Of this old shoeAnd the water on the ground
Ain't got no places it's fine
So its only got one thing left to doJust creep on in, creep on in
And once it has begun
It won't stop until it's done
Sneakin' inThere's a silver moon
Came a little too soon
Oh for me to bearIt shines brightly on my bed
And the shadow's over head
Won't let me sleep as long as it's thereJust creep on in, creep on in
And once it has begun
It won't stop until it's done
Sneakin' inCreep on in, creep on in
And once it has begun
It won't stop until it's done
Sneakin' inThere's a big old hole
Goes right through my soul
Oh that ain't nothin' newSo as long as you're around
I got no place else you've found
There's only one thing left for you to doI just creep on in, creep on in
And once you have begun
Don't stop until you're done
Sneakin' inAnd once it has begun
It won't stop until it's done
Sneakin' inAnd once it has begun
It won't stop until it's done
Sneakin' inSneakin' in, sneakin' in
Sneakin' in, creepin' in
Sneakin' in, sneakin' in
Sneakin' in, sneakin' inSneakin' in, creepin' in
You want to keep creepin' on in
Creep, creepin' in
