

Invisible

Ashlee Simpson

Like a grain on the beach
Like a star in the sky
Far too many to count with the naked eye
They wont see youGo ahead
Walk on by
You don't know Im alive
Maybe one day youll find
You should open your eyes
You dont know me[Chorus]Youre the one who looked right through me
Now youre saying that you knew me
When I was invisible
And youre the one who walked right through me
Now youre saying that you knew me
When I was invisibleLittle things adding up
Try so hard not to rush
Giving in, letting go of the world we know
They wont see youForce it down
Lose the taste
They all think its a waste
We dont need to believe every word they say, no
They dont know me[Chorus]Youre the one who looked right through me
Now youre saying that you knew me
When I was invisible
And youre the one who walked right through me
Now youre saying that you knew me
When I was invisible[Bridge]
Its so easy to be lost
But maybe youre not lost at allOhohohoh
Do you recognize me?
ohohohoh
Do you know who I am?
ohohohoh
Do you see me now?
Do you see me now?[Chorus]Youre the one who looked right through me
Now youre saying that you knew me
When I was invisible
And youre the one who walked right through me
Now youre saying that you knew me
When I was oh invisibleIm invisible, Im invisible
