All right(Gun control)
We don't want no
(Gun control)
We don't want no
(Gun control)
We don't want no
(Gun control)Stick to your guns, boys, stick to your guns
We'll make a lot of money if we stick to the guns
The president's with us boys, so join in the fun
We can make a lot of money if we stick to our guns
Yeah(Gun control)
We don't want no
(Gun control)
We don't want no
(Gun control)
We don't want no
(Gun control)
Let the bullets goStep up the lobby, boys, down in Washington
We can make a lot of money if we stick to your guns
Tradition is with us boys, the constitution
So stick to your guns, boys, the final solution

(Gun control)
No, we don't want no
(Gun control)
We don't want no
(Gun control)Hey, ain't it a shame we ain't got a war
We'll just have to practice on the sick and the poorAssassinate presidents and they ain't the only ones
We can get them all, young and old, if we stick to our guns
So stick to your guns, boys, fight for your life
We'll all feel special on a Saturday night
