

# Just for a Thrill

Ray Charles

Just for a thrill  
You changed the sunshine to rain  
Just for a thrill  
You filled my heart with pain To me you were my pride and joy  
But to you, I was merely a toy  
A plaything, that you could toss around at will Just for a thrill  
You made my life one sad song  
Just for a thrill  
You just led me along Although you're free and havin' your fun  
To me you're still the only one  
'Cause you made my heart stand still  
Well, it was just for a thrill And baby, you, you made my heart stand still  
Just for a thrill
