

# A Woman's Heart

Chris de Burgh

A woman's heart is filled with passion  
A woman's heart is filled with lust  
If you don't believe that these things happen  
Could be the biggest mistake that a man can make  
A woman's night is filled with dreaming  
Of the perfect man who may not be you  
If we don't see what she's been missing  
Could be the biggest mistake that a man can make  
She wants to get near to you  
Don't turn her away  
She wants to get through to you  
She wants to say  
Give me your night  
And I will show you my passion  
Give me your lust  
And I will drink you dry  
Give me your dreams  
And I will show you a lover  
Give me your heart  
And I will hold you close  
And I will love you till the day I die  
A woman's day is filled with longing  
For a little romance and company  
If we don't look or just don't listen  
Could be the biggest mistake that a man can make  
A woman's heart is yours forever  
She will be true to the one in her life  
If we don't give her love and affection  
Could be the biggest mistake that a man can make  
She wants to get near to you  
Don't turn her away  
She wants to get through to you  
She wants you to say  
Give me your night  
And I will show you my passion  
Give me your lust  
And I will drink you dry  
Give me your dreams  
And I will show you a lover  
Give me your heart  
And I will hold you close  
And I will love you till the day I die  
She wants to get near to you  
Don't turn her away  
She wants to get through to you  
She wants you to say  
Give me your night  
And I will show you my passion  
Give me your lust  
And I will drink you dry  
Give me your dreams

And I will show you a lover  
Give me your heart  
And I will hold you close  
And I will love you till the day I die
