

# Behind the Groove

## Eddy Claws

(Behind the groove)  
There's another side inside of you  
(Behind the groove)  
We can make your wildest dreams come true  
So get on up  
(Behind the groove)  
And shake your body  
(Get behind the groove)  
Open up and take the music in  
(Get behind the groove)  
You better get on up  
(Behind the groove)  
Into the party  
(Get behind the groove)  
Life is waiting for you to begin  
(Behind the groove)  
You can dance forever and a day  
(Behind the groove)  
There is romance just a glance away  
Got to move, get behind the groove  
(Shoob be do do, shoob be do be bop)  
Why don't you let your spirit play?  
(Shoob be do do, shoob be do be bop)  
Another me and another you  
(Shoob be do do, shoob be do be bop)  
If we make it through to Xanadu  
(Shoob be do do)  
Shake your body, shake your body  
Shake your body, shake  
Shake your body, shake your body  
(I'll take you to Xanadu)  
Shake your body, shake  
(Behind the groove)  
You can put away your masquerade  
(Behind the groove)  
You won't tell her how to be afraid  
So get on up  
(Behind the groove)  
And shake your body

(Get behind the groove)  
Open up and take the music in  
(Get behind the groove)  
You better get on up  
(Behind the groove)  
Come to the party  
(Get behind the groove)  
Life is waiting for you to begin  
(Behind the groove)  
Open your eyes and see what's in store  
(Behind the groove)  
I must be the one you're searching for  
Got to look, get behind the groove  
(Shoob be do do, shoob be do be bop)  
Why don't you let your spirit play?  
(Shoob be do do, shoob be do be bop)  
Another me and another you  
(Shoob be do do, shoob be do be bop)  
If we make it through to Xanadu  
(Shoob be do do)  
(Shake your body, shake your body, shake your body, shake)  
You can put away your masquerade  
(Shake your body, shake your body, shake your body, shake)  
And you won't have tell her how to be afraid of me  
(Shake your body, shake your body, shake your body, shake)  
Open up your eyes and see what is in store  
(Shake your body, shake your body, shake your body, shake)  
I must be the one that you are searching for  
(Shake it on up, shake it on up, shake it on up, shake)  
There I can throw my sister glass away  
(Shake it on up, shake it on up, shake it on up, shake)  
There you can dance forever and a day  
(Shake it on up, shake it on up, shake it on up, shake)  
Shake it shake it shake  
(Shake it on up, shake it on up, shake it on up, shake)  
Well sing my tune, just sing  
La-la-la-la-la-la-la-la  
La-la-la-la-la-la-la-la  
La-la-la-la-la-la-la-la  
La-la-la-la-la-la-la-la  
La-la-la-la-la-la-la-la
