## Young Heart

## **Gary Numan**

I'm a hero in a book
I'm a picture on your wall
I'm on the TV
I'm arrogant, seen it allI'm a distraction
Like a hideous new disease
I'm in the papers
But that's not really meYoung heart
Give me something I can doI'm a decision
I'm a morning filled with shame
I'm a perversion

But I don't know it's nameIn a car, on the floor
Up against the wall
With a friend or two

Someone to watch it allYoung heart Everyone does it here

Young heart

Does your mother know what you've seen?Young heart Everyone does it here

Young heart

Does your mother know where you've been? What are you gonna do?

What are you gonna do now?I don't believe in it I don't believe in itWhat are you gonna say?

What are you gonna say now?I don't believe in it

I don't believe in itWhat are you gonna feel? What are you gonna feel now?I don't believe in it

I don't believe in itWhere are you gonna go?

Where are you gonna go now?I don't believe in it

I don't believe in itYoung heart like you

Young heart like you

I'm not the questionI'm not the pain

I'm not surprised

And I'm certainly not ashamedI want your number

I want your name

I won't remember

Young hearts all the same
