So Precious

Tim Finn

Mi hijo,
I know she make you psycho
Add to that, my son,
We all believe - she's freaky freaky
Out of the mouth of a child:
(Chorus)
I am alive
I live my life only to ask
And be denied.

Siam Sam
Loved the coffee shops in Amsterdam
He say, "You look funny, man"
I say, "That's my plan. I'm freak freak."
Out of the mouth of a child:
(Chorus)
(Chorus)
