

Don't Make Me Cry

Freddie & The Dreamers

Sha la la la la, sha la la la la

Don't make me cry, that's no thing to do
Don't say goodbye, I'm in love with you

People say that I'm a fool to let you get me down
But I can't help feeling blue when you're not around

Don't make me cry, that's no thing to do
Don't say goodbye, I'm in love with you

I dream of you each night and I think you know
That my love for you is right, yet you hurt me so

Don't make me cry, that's no thing to do
Don't say goodbye, I'm in love with you

Sha la la la la, sha la la la la
Sha la la la la, sha la la la la

No one else could take your place, I want only you
And the thrill of your embrace would make my dreams come true

Don't make me cry, that's no thing to do
Don't say goodbye, I'm in love with you

Sha la la la la, sha la la la la
Sha la la la la, sha la la la la
