

# Stay This Way (The Lunar Dub)

## The Brand New Heavies

Living with you in my life  
Is like feeling the whole worlds on my side  
Putting a smile in the place  
Where a tear used to run down my face  
Feeling the sun on my head  
Where a cloud used to follow instead  
Singing a song in my heart  
In a place where all my troubles depart[Chorus]  
If our dreams are falling down to the ground  
Let them fly  
Let the rain keep falling down  
Cause baby I'm high  
Now it will fly now that were together oh ho  
Love is so high stay this way foreverLiving with you in my life  
Is like feeling the whole worlds on my side  
Putting a smile in the place  
Where a tear used to run down my face[Chorus]Our love yeah!Love will be here forever  
I know that well stay together  
Our love will be here forever  
I hope that well stay together
