

Breathless

Camel

(Latimer/Bardens/Ward)

She is my first love

Graceful in all her ways

Folding the hillside

Turning the sky from night into day

She won't fail to take my breath away So soft this silence

She brings before the dawn

A time of twilight

When all the world waits to be reborn Nobody knows her name

No one knows how she came to be here at all

Giving her loving

Hoping to everyone Old as the hills

Young just like the rising sun over fields

That lie away beneath her feet

Ev'ry time we meet

She takes my breath away
