

# Dynamite

## The dB's

Dynamite  
Late last night  
Jet face white  
So polite  
Dyna  
Dyna  
Dynamite

At first sight  
Had to try it  
Spoke outright  
Dynamite  
Dyna  
Dyna  
Dynamite

In your eyes  
Tight, skin tight  
Dress in stripes  
Caress in spite  
Dyna  
Dyna  
Dynamite
