

Open Book

Advisory - the following lyrics contain explicit language:

Eyes filled with fire
Wish I was a better liar
It hurts when it's happening, and so I criedThe winter is even colder
I guess that I could have told ya
That I am safe and warm from the hell insideCome on!
Take me!
Come on!
Make me!
I am an open bookThe drum beat of my heart is tribal
Oh, the sweet sound of survival
Shall serenade this horse forever moreThe sun would have to be frozen
For anything out there opposin'
That should be left in it's own blood on the jungle floorCome on!
Fight me!
Come on!
Strike me!
I am an open book, an open bookWhen I sing a song of peace
It soothes a savage beast
Even it understands that I understand, at leastSo you mortals must keep this in mind
This is the way I'm designed
And I am no power so I'll only die one timeCome on!
Kill me!
You heard!
Kill me!
I am an open book, an open bookCome on!
Come on!
