

# Equal Zero

## Pop Will Eat Itself

Them want boom times  
They don't want depression  
Them want spend, spend  
Them don't want recessionWe don't want chumps  
We don't want suckers  
We don't want pimps  
No sly motherfuckersEqual Zero...Lead us  
Feed us  
Superbreed us  
Lead us  
Feed us  
We're all equal zeroI woke up a dreamer today  
A hailed hero  
I woke up for real and, hey,  
We're all equal zero  
We're all equal zero
