## Queen Adreena

Soul catch fire

Said I'm aliveI dress in red for these vows I've forsaken

Better off dead cried alive awakenSoul catch fire

Said I'm aliveI push back the table they put it back on me

Laugh 'cause I'm able they put it back on meSoul catch fire

Said I'm aliveRazor blade smile and this cut throat devotion

Disdain for these lies with my Blood it is spoken.Soul catch fire

Said I'm alive
