Mall, mall, mall m m mall Yeah I ball, Omaha mall, 5 feet tall but I still do it

Yeah I get it in to the Benjamins then I spend it all
at the Omaha mall

Yeah ever in mall mall We are doing it huge

We are spendin' cash lookin' for some sick shoes

Yeah were at the mall

Yeah we're in my world, world

Yeah we got our shoes and now were lookin' for some
girls, girls Omaha mall

Yeah this beat rocks now I'm rollin' round the mall
tryna' find a g shock

Yo there's some girls they look good from afar

But you never know at the Omaha mall

I've been to LA, New York, I've done it all

But none of it compares to the Omaha mall

You know I'm a star (x2)
