Now & Then

Domani

(Chorus)
I think about you now & then, not like I do it often
Just sometimes pop into my head, I guess I wonder how you've been
And even though you & me are through, & I don't miss your attitude
I think about you now & then, but don't think that I'm missing you(Verse 1)
You were by my side for such a short time
I don't know why I have you on my mind
You didn't pay me any mind daily
So someone tell me why your face is all I see(Pre-Chorus)
You don't know the pain that you put me through
When there was no longer me & you
So you don't deserve to see my face
Or even head what I'm about to say(Chorus)
I think about you now & then, not like I do it often
Just sometimes pop into my head, I guess I wonder how you've been
And even though you & me are through, & I don't miss your attitude
I think about you now & then, but don't think that I'm missing you(Verse 2)
You got me on a trip, I'm so sick of this shit
This relapse is playing with all my emotions
You weren't even that cute, sorry but it's true
So what do I do? 'Cause I'm losing my cool(Pre-Chorus)
You don't know the pain that you put me through
When there was no longer me & you
So you don't deserve to see my face
Or even head what I'm about to say(Chorus)
I think about you now & then, not like I do it often
Just sometimes pop into my head, I guess I wonder how you've been
And even though you & me are through, & I don't miss your attitude
I think about you now & then, but don't think that I'm missing you(Instrumental interlude)(Repeat chorus twice)But don't think that I'm missing you
