

I Watch the Cars

[Robyn Hitchcock](#)

I watch the cars go back and forth
I watch the cars go back and forth
I watch the cars go back and forth
Sometimes south and sometimes north
I watch the cars I hear them stopping down the street
I hear them stopping down the street
I hear the sound of stocking feet
I wonder who they're going to meet I'm getting drunk inside my house
I see the men inside their shells
I see the men inside their shells
They go to prostitutes as well
Who never mind the way the smell
The prostitutes are paid for it, alright I hear you're gonna try that too
I hear you're gonna try that too
I hear you're gonna try that too
I wouldn't pay to go to you
I'm getting drunk inside my house again
