

Move

MercyMe

I'm not about to give up
Because I heard you say
There's gonna be brighter days
There's gonna be brighter days
I won't stop, I'll keep my head up
No, I'm not here to stay
There's gonna be brighter days
There's gonna be brighter days

I just might bend but I won't break
As long as I can see your face

When life won't play along and right keeps going wrong
And I can't seem to find my way
I know where I am found, so I won't let it drag me down, oh
I'll keep dancing anyway

I'm gonna move, move
I'm gonna move, move
I'm gonna move (I'm gonna move)

I've got to hold 'er steady
Keep my head in the game
Everything is about to change
Everything is about to change

This hurt is getting heavy
But I'm not about to cave
Everything is about to change
There's gonna be brighter days

I just might bend but I won't break
As long as I can see your face

When life won't play along and right keeps going wrong
And I can't seem to find my way
I know where I am found, so I won't let it drag me down oh,
I'll keep dancing anyway

I'm gonna move (No matter what may come)

(Gotta move to a different drum)

I'm gonna move (No matter what life brings)(Gotta move, gotta move gotta move to a different beat)

(No matter what may come)

(Gotta move to a different drum)

(No matter what life brings)(Gotta move, gotta move gotta move to a different beat)

I just might bend but I won't break

As long as I can see your face

When life won't play along, and right keeps going wrong

And I can't seem to find my way

I know where I am found, so I won't let it drag me down, oh

I'll keep dancing anyway

When life won't play along, and right keeps going wrong

And I can't seem to find my way

I know where I am found, so I won't let it drag me down, oh

I'll keep dancing anyway

I'm gonna move (No matter what may come)

I'm gonna move (Gotta move to a different drum)

I'm gonna move (No matter what life brings)I'm gonna move(Gotta move, Gotta move gotta move to a different beat)
