

High and Low

Empire of the Sun

[Verse 1]

Now we are running in a pack to the place you don't know
And I want you to know that I'll always be around
Down where the summer and the late nights last forever
There's a house on the hill and we can't travel now[Pre-Chorus]
Alice D you're on your way up

Way up

Way up

[Chorus]

I feel most times we're high and low (high and low)
If I had my way, never let you go (never let you go)
I feel most times we're high and low (high and low)
If I had my way, never let you go (never let you go)[Verse 2]
Let's get together and forget all the troubles and just float

I don't want you to go

I need to be closer to now[Pre-Chorus]

Alice D you're on your way up

Way up

Way up[Chorus]

I feel most times we're high and low (high and low)
If I had my way, never let you go (never let you go)
I feel most times we're high and low (high and low)
If I had my way, never let you go (never let you go)[Bridge]

Alice D is on will

She's been out all night again

She don't want nobody's help now

She sees stars and rocket ships[Chorus - fade out]

I feel most times we're high and low (high and low)
If I had my way, never let you go (never let you go)
I feel most times we're high and low (high and low)
If I had my way, never let you go (never let you go)
I feel most times we're high and low (high and low)
If I had my way, never let you go (never let you go)
I feel most times we're high and low (high and low)
If I had my way, never let you go (never let you go)
