

Ready to Fly (Avery's Song)

Jamie Grace

There's a feather in my hair and a wing around my neck
I'm ready to fly away

There's a feather in my hair and a wing around my neck
I'm ready to fly away And I've got the wishes from all of my friends
Hugs and kisses from my mom and my dad

There's a feather in my hair and a wing around my neck
I'm ready to fly away
