I'm Looking For a Woman

Bo Diddley

I'm looking for a woman
That will work to set me down
I'm looking for a woman
That will work to set me down
I've been looking all night long
She can't be foundWell, I met one last night
And I told her what I liked
Well, I met one last night
And I told her what I liked
She said get away from here country boy
Go back to your countrysideWell, tell me baby
What you see wrong with me?
Well, tell me baby
What you see wrong with me?
Well, if I had you baby
Be goodlier than any man can beWell, so long mama
Baby bye-bye you, bye
Well, so long mama
Baby bye-bye you bye
Well, now bye-bye baby
With those tears in your eyes
