

Birds and Ships

Billy Bragg & Wilco

The birds are singing in your eyes today
Sweet flowers blossom in your smile
The wind and sun are in the words you say
Where might your lonesome lover be?
Birds sweetly singing in my eyes this day
Sweet flowers blossom when I smile

But my soul is stormy and my heart blows wild
My sweetheart rides a ship on the sea
Though my soul is stormy and my heart blows wild
Where might my lonesome lover be?
