

# Wheel of Fortune

## Ace of Base

What you gonna tell your dad  
It's like a wheel of fortune  
And what you gonna tell your dad  
If this wheel lets you downMy love is my engine  
And you might be fuel  
Stop acting cool  
Just bet you might win  
I'm not too coolWe're gonna make you moveDon't push me  
I don't want to, can't you see it  
Hasten slowly  
And don't count your chicks  
Before the're hatched babyWhat you gonna tell your dad  
It's like a wheel of fortune  
And what you gonna tell your dad  
If this wheel lets you downMy love is my engine  
And you might be fuel  
Stop acting cool  
Just bet you might win  
I'm not too coolHey you  
We're gonna make you move  
It tastes like steel  
Like a stab from a knifeWhat you gonna tell your daddy  
What you gonna tell your daddy  
Say, what you gonna tell your daddy  
What you gonna tell your daddy  
What you gonna tell your daddy  
I'm on love with another foolI'm in love with you  
I like your style  
I want you  
I'm in loveI'm in love with you  
I like your style  
I want you  
I'm in loveWhat you gonna tell your dad  
It's like a wheel of fortune  
And what you gonna tell your dad  
If this wheel lets you down, yeahWhat you gonna tell your dad  
It's like a wheel of fortune  
And what you gonna tell your dad  
If this wheel lets you downMy love is my engine

And you might be fuel  
Stop acting cool  
Just bet you might win  
I'm not too cool I'm in love with another fool  
Yeah, yeah, yeah, yeah, yeah  
I'm in love with another fool  
Tell tell tell I'm in love dad I'm in love with you  
I like your style, I want you  
I'm in love  
I'm in love  
I like your style
