This Is Love

Melissa Ferrick

Please come
Surround me
Give me everything you've got
Because I

Am ready to take this on
Take my hand
Won't you lead me
Anywhere other than this

Because I am so in love with you
I feel stranded here without your kiss
I have fallen
Into place yeah

This love feels like
Snow on face
Yeah it stings for a second
Then it heats up and drips

Turns into water
Inviting me to
Yeah to lick my lips

This is love
This is love
This is love
This is love

Oh and you are the snow on my face yeah
So take me in where you want to
Because I do not care where I end up
As long as it is with you

And as long as you promise me
You'll never give up
Because when you lean against me
You know my whole world just disappears

This is all it?s all I've ever wanted

I just didn't know this was it
Until I got here
I fall into place

This love feels just like snow on face
Yeah it stings for a second
Then it heats up and drips
Turns into water

Inviting me to
Yeah to lick my lips

This is love
This is love
This is love
This is love

Oh and you are the snow on my face yeah
Oh yeah you are the snow on my face yeah
