

Doctor Jones (Metro's 7" Edit)

Aqua

Sometimes the feeling is right
You fall in love for the first time
Heartbeat and kisses so sweet
Summer time, love in the moonlightAaa yippie yaa ooo ooo
Aaa yippie yaa yea
Aaa yippie yaa ooo ooo, aaa haaNow the summer is gone
You have to go back home
Please come and see me again
I never felt more alone
(Baby, I'm missing you)
I want you by my side
(And I hope you miss me too)
Come back and stay
(I think about you every day)
I really want you to
(You set my feet right off the ground 'til the lover found)Doctor Jones, Jones
Calling Doctor Jones, "Doctor Jones, Doctor Jones, get up now"
(Wake up now)
Doctor Jones, Jones
