

Mary

Lisa Miskovsky

I've come a long way
And I thought it was possible to love someone new
To forget about you

I've come a long way
And I thought it was possible
To love someone new
I'm stronger than you

Mary, Mary, can't get you out of my head
Mary, Mary, I won't forget what you said
Mary, Mary, can't get you out of my head

We play a new game
Can you feel it racing through my veins straight to you?
So shallow and blue

This is a good day and you're an acquired taste
That I learnt to brew now I got to have you

Mary, Mary, can't get you out of my head
Mary, Mary, I won't forget what you said
Mary, Mary, can't get you out of my head

Love me sister friend, love me until the end

You are all that I've got
I won't forget what you said
You are all that I'm not
Can't get you out of my head
You are all that I've got

Mary, Mary, can't get you out of my head
Mary, Mary, I won't forget what you said
Mary, Mary, can't get you out of my head

Mary, I need you to say (You are all that I've got)
Mary, my love we're the same (You are all that I've got)
Mary, I want you to stay (You are all that I've got)
Mary, my love we're the same
