Never Again

Nickelback

He's drunk again, it's time to fight
She must have done something wrong tonight
The living room becomes a boxing ring
It's time to run when you see him clenching his hands
She's just a woman, never againI hear her scream from down the hall
Amazing she can even talk at all
She cries to me go back to bed
I'm terrified that she'll wind up dead in his hands
She's just a woman, never againBeen there before but not like this
Seen it before but not like this
Never before have I ever seen it this bad
She's just a woman, never againJust tell the nurse you slipped and fell
It starts to sting as it starts to swell
She looks at you, she wants the truth
It's right out there in the waiting room with those hands
Lookin' just as sweet as he can, never againSeen it before but not like this
Been there before but not like this
Never before have I ever seen it this bad
She's just a woman, never again
Never againFather's a name you haven't earned yet
You're just a child with a temper
Haven't you heard don't hit a lady
Kickin' your a** would be a pleasureHe's drunk again, it's time to fight
Same old s***, just on a different night
She grabs the gun, she's had enough
Tonight she'll find out how f***in' tough is this man
Pulls the trigger fast as she can, never againSeen it before but not like this
Been there before but not like this
Never before have I ever seen it this bad
She's just a woman, never againSeen it before but not like this
Been there before but not like this
Never before have I ever seen it this bad
She's just a woman, never again
Never again
Never again
Never again
