

# Never Again

## Nickelback

He's drunk again, it's time to fight  
She must have done something wrong tonight  
The living room becomes a boxing ring  
It's time to run when you see him clenching his hands  
She's just a woman, never again I hear her scream from down the hall  
Amazing she can even talk at all  
She cries to me go back to bed  
I'm terrified that she'll wind up dead in his hands  
She's just a woman, never again Been there before but not like this  
Seen it before but not like this  
Never before have I ever seen it this bad  
She's just a woman, never again Just tell the nurse you slipped and fell  
It starts to sting as it starts to swell  
She looks at you, she wants the truth  
It's right out there in the waiting room with those hands  
Lookin' just as sweet as he can, never again Seen it before but not like this  
Been there before but not like this  
Never before have I ever seen it this bad  
She's just a woman, never again  
Never again Father's a name you haven't earned yet  
You're just a child with a temper  
Haven't you heard don't hit a lady  
Kickin' your a\*\* would be a pleasure He's drunk again, it's time to fight  
Same old s\*\*\*, just on a different night  
She grabs the gun, she's had enough  
Tonight she'll find out how f\*\*\*in' tough is this man  
Pulls the trigger fast as she can, never again Seen it before but not like this  
Been there before but not like this  
Never before have I ever seen it this bad  
She's just a woman, never again Seen it before but not like this  
Been there before but not like this  
Never before have I ever seen it this bad  
She's just a woman, never again  
Never again  
Never again  
Never again
