

Love

Above the Golden State

I pray for love like Yours for me
I pray for love like Yours for me I pray for love more and more
That I might have love like Yours
A love that shines upon the earth
A love that fills the ocean floors I pray for peace like rivers flow
I pray for joy like fountains glow
A faith that moves the mountains to seas
But most of all I pray for love like Yours for me
I pray for love like Yours for me, yeah I pray for love more and more
That I might have love like Yours
A love that goes from east to west
A love that has no height or depth I pray for peace like rivers flow
I pray for joy like fountains glow
A faith that moves the mountains to seas
But most of all I pray for love like Yours for me
I pray for love like Yours for me, yeah I pray for peace like rivers flow
I pray for joy like fountains glow
I pray for truth and grace over me
I pray for strength, this hope I believe
A faith that moves the mountains to seas, yeah, yeah
But most of all I pray for love like Yours for me
I pray for love like Yours for me
I pray for love like Yours for me
I pray for love like Yours for me
