

# All In Good Time

## Pasadena

Homesick, underpaid and appreciated  
Sad to know that lesser men have came and made it  
Lord knows that weâ€™re motivated  
Plus sometimes shit gets complicated  
But all in good time,  
All in good time, time  
I used to think I had it all figured out,  
Do what I should, shut my goddamn mouth  
But Iâ€™ve been biting my tongue for a long time,  
Either Iâ€™m weak or, Iâ€™m just satisfied  
And the saddest part is, I can explain it all  
Itâ€™s hard to stand when, all you ever do is crawl  
But all in good time  
All in good time, time  
Iâ€™m doing my best and I gotta make it work  
With my glass half empty trying to show these people what Iâ€™m worth  
Selfish me when I ask for more, when my well runs dry,  
Iâ€™m stuck in fuckinâ€™ Baltimore  
And the worst of all possible times  
And the best of all possible worlds, in the worst of all possible times  
My well runs dry, dry, dry  
Now donâ€™t you cry,  
Iâ€™ll be back in April everything will be just fine  
Dry your eyes, we gonna make I all in good good time now  
Rest, your head  
Donâ€™t you worry let me do it instead  
We gonna make it, fuck what all those people said  
We gonna make it, fuck what all those people say, say, say, say  
Cause you, are so beautiful, to me, you are so beautiful, to me.
