

# Incarcerated

## Pain Confessor

Mistake number one was I didn't listen to my father  
I didn't tell anyone my twisted and scary thoughts

And one day I do it

I didn't realize

How cruel a man can be

To spill innocent bloodMistake number two, I didn't believe my mother  
Who had seen the err of her ways, my heart turned black as coal

Today I do it

Bring down the hand that defied me

Cursed be the betrayer

Ashes to ashes, lust to dust

A guilty soul will soar

When the brick walls fall

With heavy wings tried

A stone heavy heart will flyMistake number three was I did what others told me to

I didn't give a chance to my own diluted reason

On that day I did it

Just to get back at them

To show I am the strongest link

Without their decrepit chainNothing will bring back what is lost

Nothing was more lost than I

Nothing will bring back what is lost

Nothing was more lost than I

Nothing will bring back what is lost

Nothing was more lost than I

A guilty soul will soar

When the brick walls fall

With heavy wings tried

A stone heavy heart will fly
