I Love La

Emblem3

Good morning
I love this town man! (Yeah)
Sunshine, 365, everyday
Who's on this track?

I love, love, love, LA
'Cause the west coast is the best coast baby
I love, love, love, LA
And these are the girls that I love the most!
When the sun goes down we'll be getting so high
We'll be chilling on the beach in the summertime
I love, love, love, LA
Wake up to California!

Wake up the sun's about to blow so we turn the record up like oh
No stress the cowboy's of the West
and the women are the best you know
6 floors hop up off the floor pinstripes on the door like oh
So let's ride the Mulholland drive cause we run the night you know

Stars lined in on Hollywood
And vine sunglasses at night you know we're so fly
Not lying some days we're Kobe Bryant
like Blake when we're flying
Like birds in the sky

All in I'm Kayne you're Kim paparazzi movin' in like oh
Outrageous, young wild and famous three hours to Vegas

I love, love, love, LA
'Cause the west coast is the best coast baby
I love, love, love, LA
And these are the girls that I love the most!
When the sun goes down we'll be getting so high
we'll be chilling on the beach in the summertime
I love, love, love, LA
Wake up to California!

Break's pump we hit the 101 but the traffic ain't nothing like oh
Come play where it never rains in and out for days like oh

Mad cholos never riding solo, wanna get taquitos? 10 bucks for valet?
That's Cali, OC to the valley, let me hear you shout it like oh

Shout out if you're with me on the west side,
Holla if you're with me on the east side,
Holla if you're feeling me worldwide, holla if you love LA

I love, love, love, LA
'Cause the west coast is the best coast baby
I love, love, love, LA
And these are the girls that I love the most!
When the sun goes down we'll be getting so high
we'll be chilling on the beach in the summertime
I love, love, love, LA
Wake up to California

Uh hey, Long beach, Newport,
Huntington beach, Venice beach,
Santa Monica, Malibu, Hollywood.

Can we go to California?

I love, love, love, LA
'Cause the west coast is the best coast baby
I love, love, love, LA
And these are the girls that I love the most!
When the sun goes down we'll be getting so high
we'll be chilling on the Beach in the summertime
I love, love, love, LA
Wake up to California!
