

Damaged

Vivian Girls

You say you're all messed up
You're not ok, you've been fucked up for so long
There's nothing good about this and nothing real will ever come of this

So now it's done and you're going home all alone
And I'm goin' home by myself
Tomorrow night I'll meet someone else
So on and on and on

They say they're messed up it's not ok
They act like they're so damaged
But everyone is
Everyone is done with it for good
