Holy

Coko

Holy, you are holy
lord of lords, king of kings
mighty god
the stars shall applaud you
the earth shall adore you
for you are holyworthy, you are worthy
humbly i bow, and receive you now
for you are worthy
songs of praise to you are raised
for you are holy(anoited one) you're holy
(you're holy) the heavens shall declare your glory
in all my ways i will forever give you praise
give you praise
holy, you are holy
heaven and earth shall pass away
but you will always be holy
holy, you're holy
